## RULES

1. **ELIGIBILITY** – Any boy or girl who is a member in good standing of a chartered FFA Chapter and who resides in and has raised his or her steer as an FFA SAE project in Solanco School District or Oxford School District or who is a member in good standing of the Lancaster County 4-H Beef Club and resides in Solanco or Octorara School District is eligible to compete in the show and participate in the sale. Exhibitors must have passed their 8<sup>th</sup> birthday but not have passed their 19<sup>th</sup> birthday by January 1 of the year of the fair. In the event the individual does not complete high school, he or she may not exhibit past their 18<sup>th</sup> birthday.
2. **OWNERSHIP, REGISTRATION, AND TAGGING:** – Each exhibitor must have entire charge and care of his or her animal by January 1. All animals will attend a **mandatory** registration meeting on the second Saturday of January at 12 noon. In the case of inclement weather on the second Saturday or January, the **mandatory** registration meeting will be held on the first Saturday of February at 12 noon. All steers must be wearing an RFID tag. A backup steer may be registered at the same date in the event of a health emergency. At the January meeting, your animal is registered for the show and weighed and there is no need to contact a chairperson in September.
3. **FITTING AND PREPARATION OF THE ANIMAL** – The intention of the FFA or 4-H Steer project is to provide young people with an educational experience raising their steer. **For this reason, only the exhibitor will be permitted to clip/fit his or her steer on the fairgrounds. If the exhibitor is 8, 9, or 10 years of age as of January 1 the year of the fair or this is their first year showing a steer, he or she may have assistance from an immediate family member. Failure to abide by this rule will result in disqualification from the show and last placing in the sale order.**
4. **ANIMAL BEHAVIOR** - Entries must be halter broken and under the complete control of the exhibitor (cattle must be able to be tied, paraded, and shown without endangering others). The beef show committee reserves the right to dismiss from the show any animal that may endanger other show participants. If an animal escapes from the exhibitor three times while being exhibited in the show ring, the animal will automatically be dismissed from the ring and will receive the lowest placing in the class.
5. **HEALTH** –
  - A. In no case shall any animal be admitted that shows evidence of having a communicable disease.
  - B. "A Certificate of Veterinary Inspection (CVI) issued after May 1, 2024 is required. All animals must be free of infectious and contagious diseases. Individual official animal identification is required. Official ID includes: a USDA-issued metal eartag; or a breed registration tattoo if the tattoo is legible and the animal is accompanied by a copy of the registration certificate; or a breed registration eartag if the animal is accompanied by a copy of the registration certificate; or an ISO-compliant 15 digit eartag (including RFID)."
